Each VERVE piece is upholstered in premium textiles, pairing a gently curved outer shell with deep-fill padding for sustained, all-day support. A restrained colour palette and compact footprint ensure seamless placement in any interior — from boutique hotel lobbies to modern creative studios.

REFINED CRAFTSMANSHIP

Precision stitching with elegant curves, showcasing refined craftsmanship and attention to detail.

SCULPTED OUTER SHELL

A refined wraparound shell provides added support and structure while creating a distinctive, elegant profile from every angle.

HEIGHT-ADJUSTMENT MECHANISM

Heavy-duty full aluminium height-adjustment mechanism — without locking function.

TILT MECHANISM

Heavy-duty aluminium tilt mechanism with integrated locking function for enhanced comfort and control.

ZIP-ACCESS UPHOLSTERY

Discreet bottom zip provides easy access to the upholstery cover for servicing and maintenance.
